Name of Order:

In Pant Focused Training on Vibration Analysis & Dynamic balancing in 08 plants in India.

Value: Rs. 6,60,000/-

Period: March 2016 – March 2018

This is to inform that **M/s. Vibrotech Trainers & Consultant Pvt. Ltd., Chennai** have conducted training program on Vibration Analysis and Dynamic Balancing at 08 of our plants across India.

The course is exclusively designed to make our plant officials understand the vibration in depth. The training has made our officials to analyse the problems causing vibration and its rectification.

The course included Pre-Test & Post-Test and evaluation of officials with score card.

Case studies were discussed in depth during the training session.

This letter is a token of appreciation to **M/s. Vibrotech Trainers & Consultants Pvt. Ltd., Chennai** towards their efforts in conducting training course successfully to our satisfaction.
