TO WHOMSOEVER IT MAY CONCERN

This is to inform that M/s. Vibrotech Trainers & Consultants Pvt. Ltd., Chennai have conducted Technical Talk on “*Making Vibration Analysis Simpler*” at the fullest satisfaction in time on 21st October 2013.

The topics covered and explained during the Training session effectively improved our outlook towards Predictive Maintenance Practices through Vibration Analysis. With this fundamental input, we are now able to implement successfully the Condition Based Maintenance, as a Maintenance strategy in our unit of BHEL. This letter is a token of Appreciation to M/s. Vibrotech Trainers & Consultants Pvt. Ltd for conducting such practical oriented, implementable training in our premises.
